2 Ways to Receive Your Shoes

No Cost Option

Check to see if you qualify through your insurance at no cost*

Fill out application to see if you qualify.

A prescription will be faxed to your primary physician.

After the prescription is signed, a certified shoe fitter will fit your new shoes.

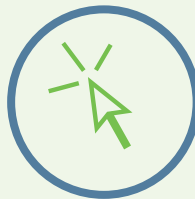

Enjoy your new shoes!

Order and Track Your Status Online

Skip the line! Complete an application, initiate orders, or check the status of your order online at QuantumMedicalSupply.com or NoCostShoes.com

6%

AFTER 2 YEARS

- 79% reulceration rate before treatment
- 54% amputation rate before treatment

GARMENTS FOR LYMPHEDEMA MANAGEMENT:

Compression garments are crucial in managing lymphedema by providing external pressure to the affected area, promoting lymphatic drainage, and reducing swelling.

Lymphedema (LED) affects an estimated 35 million patients in the United States and a staggering millions undiagnosed.
